Insert CD with labeled side up

Do not operate CD player with damaged cover, as otherwise serious eye injuries can result.

Do not use CDs with labels applied after purchase, as otherwise labels can detach during playing and damage the system.

Only use round CDs with a standard diameter of 4.7 in (12 cm) and do not play CDs with an adapter, e.g. single CDs, as otherwise the CDs or the adapter may jam.

Do not use combined CD/DVDs, as otherwise these may jam.

CDs with copy protection may only permit restricted playback. In this case, contact the dealer or manufacturer of the CD.
